

Outdoor Education Teacher Retreat

AT THE Y OUTDOOR CENTRE CAMP THUNDERBIRD

MAY 8 & 9
ALL INCLUSIVE
NO COST

Vancouver Island teachers, administrators and teacher candidates, are invited to join us for a **free** professional development and networking retreat where participants will:

- Experience play and mindfulness in nature
- Deepen their understanding of the role outdoor education plays in developing communication, thinking, personal and social skills for students
- Network with fellow teachers in a fun and relaxed environment conducive to making strong connections.

Friday May 8:

Appetizers, Networking & Campfire

Saturday May 9:

Keynote by Dr. Nevin Harper, Outdoor and Nature-based education professional from UVic School of Child and Youth Care. Gain first-hand experience how students expand their curricular competencies and content knowledge through an outdoor education experience. Enjoy time to try activities including: boating, archery, rock climbing and mindfulness practice for teachers or just relax and recharge in a spectacular nature setting.
