

PLAYCARE/KIDS CLUB MEMBERSHIP USE GUIDELINES:

- Members can use Playcare/Kids Club up to a maximum of 1.5 hours per day, one visit per day per child (No maximum for the week)
- Members may also have their children in a recreation program – recreation programs do not count towards the 1.5 hour maximum as they are a different type of service
- Children can be dropped off for a maximum of 1.5 hours per day, while parent/guardian remains in the building
- Food is not allowed in Playcare/Kids Club – this is for the safety of the staff and other children. Exceptions are infant bottles and water bottles. We ask that bottles are labelled with the child's name
- For the wellbeing of staff and other children, children with symptoms of a cold, flu, or other illness will not be able to attend Playcare/Kids Club. These symptoms may include fever, persistent cough, runny nose, sore throat, stomachache
- Child and parent/guardian must both be members of the Y
- We ask that parents/guardians leave a diaper bag for their non-toilet trained child (stored in cubbies by the front entrance).
- Children who are old enough to walk will require shoes at all times in case of a building evacuation
- Due to low staff to infant ratio, we will only accept 6 infants at a time
