Registered & Drop-in Aquatic Programs

The Westhills Y's aquatic programs help swimmers of all ages build water safety skills and confidence through high-quality lessons led by certified YMCA and Lifesaving instructors. We offer progressive programs for preschoolers, children, teens, and adults, including Parent & Tot, Adult/Teen lessons, Aquatic Leader in Training, and private or semi-private options.

Membership includes group swim lessons at no additional cost. Scan the barcode for a full list of programs.

Aquatics Admission Criteria		
Age	Supervision Requirements	The YMCA-YWCA of Vancouver Island is committed to providing a safe and enjoyable aquatic experience. The following aquatic admission criteria allow us to meet both provincial and industry regulations and standards. All children under the age of 10 must be accompanied by a responsible adult 16+ years of age at all times. *Y members who are under the age of 10 and are competitive swimmers or practicing for an advanced aquatic certification wishing to attend a lane swim time must contact your branch's Aquatic Leadership Team in advance.
Under 7 years	In the water within arm's reach of all children at all times. Maximum 3:1 ratio	
7-9 years	On deck viewing area, not required to be in water within arms reach unless swimming ability of child necessitates it for safety. Maximum 8:1 ratio.	
10 years and older	Can use the pool unaccompanied unless swimming ability of child necessitates supervision for safety.	

Swim Descriptions

Swim Type

Lane Swim *indicates adult only	For members ages 10 years and older. Circle swimming will be in effect; members are asked to follow signage posted at each lane. Aquatics staff will endeavour to ensure there is an appropriate distribution of abilities throughout the available lanes and may request that members relocate to another lane to ensure like abilities are in the same lane.
All Ages Access (Therapy Pool)	During All Ages Access the Therapy Pool is available to all members. If there is significant usage, pool may be intermittently closed to ensure lifeguard safety ratios are maintained. Aquatics Admission Criteria applies.
Adult Therapy / Water Walking (Therapy Pool)	For members ages 16 years and older. Therapy Pool is dedicated to users water walking and working on therapy exercises; users are expected to share the space. During Therapy/Water Walking availability that coincides with Adult Lane Swim all hot areas are also reserved for users 16 years and older.
Adult Therapy / Water Walking (Leisure Pool)	For members ages 16 years and older. Therapy Pool is dedicated to users water walking and working on therapy exercises; users are expected to share the space. During Adult Lane Swim all hot areas are also reserved for users 16 years and older. For Adult Therapy/Water Walk during the week from 2:30 - 4:30, hot areas are open for all ages.
Parent & Tot Splash (Leisure Pool)	The Leisure Pool is a shared space during this swim- water walkers are welcome to use the deeper areas of pool and families with small children can enjoy the shallower beach access area with splash features. Users are reminded to be respectful of each other and share the space.
Kid Splash (Leisure Pool)	For members of all ages! Kid Splash is an opportunity for families to enjoy the Leisure Pool and it's splash features (lazy river is unavailable, unless otherwise noted in the activity name).
Family Swim (Slides & Waves)	For members of all ages! Family Swim is an opportunity for families to enjoy all the most fun features – waterslides, lazy river, waves and all splash features will be operating, unless otherwise noted in the activity name. A Leisure Lane is available in the Lane Pool for swimmers wanting to practice dives and deep water play (the Leisure Lane may not be available during all swims due to other programming).
Aquafit	Cardio training, strength exercises and stretching. Go at your own pace – or be challenged by our instructors. Deep water optional. Class style subject to change.

Healthy Living Programs

Healthy Living is a program designed to support individuals living with one or more chronic health conditions through recreation therapy-based programs that promote physical, social, cognitive, leisure, and emotional well-being.

Breathe Fit *Registered	A small group maintenance program for people living with heart and lung conditions. Programs are designed to be tailored to each condition and each member. This class is both engaging through exercise and social connection. Registration and assessment is required to join. Please contact healthyliving@vancouverislandy.ca to register for the waitlist.
Small Steps for Big Changes	Small Steps for Big Changes is a evidence-based behaviour-change counselling program designed to help prevent the development of type 2 diabetes. Please contact healthyliving@vancouverislandy.ca or visit smallstepsforbigchanges for eligibility and to complete the survey.
Fit for Bones *Registered	A small group maintenance program for people living with chronic bones and joint conditions. Programs are designed to be tailored to each condition and each member. This class is both engaging through exercise and social connection. Registration and assessment is required to join. Please contact healthyliving@vancouverislandy.ca to register for the waitlist.
Healthy Living Social Walk *Drop-in	Come join us as we explore some of the wonderful trails the Westshore has to offer in our Social Walk! These walks have an emphasis on being socially connected with other, while maintaining a relaxed pace. Walks occur rain or shine, please dress appropriately for the outdoors. Please contact healthyliving@vancouverislandy.ca for the location of the walk and the meeting place. Drop-in Mondays from 9:45 - 10:45am.
Stretch Fit *Drop-in	The first 20 minutes of this workout will involve low-moderate intensity training to improve both core and balance. The final 20 minutes of this class will focus on a deeper full body stretch that leaves you feeling energized and refreshed! Drop-in Mondays from 11:15 - 12:05pm.

Did you know rooms on the 3rd floor can be used by members when a class is not in session?

Group Fitness Class Descriptions

Barre Fusion	Challenge your entire body with this low-impact class that blends Ballet, Pilates, Yoga, and strength training. Using light weights, high repetitions, Pilates balls, and sliders, you'll build muscular strength and endurance while improving posture, balance, flexibility, and core stability. Suitable for all fitness levels, no dance experience required. Please bring your own mat; grip socks are recommended.
Body Fusion	A little bit of this (balls, and bars) a little bit of that (body mind connection) and a whole lot of (fun).
Bootcamp	Challenge yourself in a high-intensity interval workout that uses your own body weight and a variety of fitness equipment to work cardio and increase your strength while improving your core strength, balance, coordination, and body awareness. Modifications are available.
Baby & Me Bootcamp	A functional total body workout designed to build your strength and endurance while keeping baby by your side. Included modifications and considerations for post-partum bodies. All ages of children welcome.
Cardio Dance	Get a great cardio workout while dancing to popular music. Learn various routines while you sweat.
Cardio Dance Low Impact	This low impact class is designed to improve coordination and cardiovascular fitness by incorporating a variety of dance styles, upbeat music, and easy to follow choreography to create a full body workout. All fitness levels are welcome.
Cardio, Strength & Stretch	This class offers a complete workout to improve muscular strength and endurance, cardiovascular fitness, and flexibility. Begin the class with an energizing and upbeat aerobic segment followed by a full body strength segment using free weights, resistance bands, and more. Finish the class with a longer, guided full body stretch to improve flexibility and promote recovery. All levels welcome; modifications of exercises available.
Chair Yoga *Reserve online	Chair yoga is a gentle practice in which postures are performed while seated and/or with the aid of a chair. It is an accessible class suitable for those with limited mobility or flexibility who still want to enjoy the benefits of yoga. This class will focus on gentle movements that help ease stiffness, improve range of motion, build strength, stability, and balance.
Choreographed Strength	A dynamic weight training class that combines the power of compound exercises with the rhythm of music. Each muscle group is targeted with choreographed movements set to a specific song, ensuring a full-body workout that's as fun as it is effective. Move, lift, and sweat to the beat while improving strength, coordination, and endurance in this energizing and unique class.
Core Strength	Strengthen and tone your core using weights, stability balls, and your own body as resistance for the ultimate full body workout.
Cyclefit *Reserve online	Join us for the ultimate intensive workout combining both aerobic and anaerobic exercise through drill training and speed work. Build strength, endurance and flexibility in a fun environment that lets you modify your own intensity! Please bring a water bottle and towel.
Cycle & Strength *Reserve online	This high energy class will get your heart rate up and your cardio in with the class beginning on the cycle bikes. The second part of class will have you lifting weights.
Deep Stretch	Engage in a deep stretching practice that targets your muscles, helping to increase flexibility, release tension, and promote relaxation.
Functional Fitness	This mild to moderate program builds and maintains functional muscle power that supports everyday movements and daily activities. The class emphasizes strength, endurance, balance and core stability, making it suitable for all ages and fitness abilities. Seated options are available
Gentle Fit	For the beginner to fitness – safe, effective, low-impact strength and cardio to increase muscle conditioning and fitness.
Glutes & Core Fusion	Build stronger glutes, tighten your core, and improve your posture in this dynamic, full body strengthening class.
Interval Express	30-minute workout using a tabata style format to keep you motivated while improving your overall fitness. By training with free-weights, resistance-bands, and body-weight this quick workout will give you a range of strengthening, stretching, balance, and core exercises. Appropriate for all fitness levels.
Pilates	This low impact class focuses on improving full body strength with emphasis on creating strength, stability, and awareness and connection to the core and pelvic floor while also improving posture, balance, and flexibility. All fitness levels welcome; please bring your own mat.
Strength & Sculpt	A weight training class focusing on compound exercises to sculpt and enhance your strength. This class will teach correct form with a focus on how to safely use free weights. Come join us to get a full body workout in a fun and supportive environment. Whether you are picking up a weight for the first time or training to lift heavier this class is for you!
Stretch Fit	The first half of this class will involve low-moderate intensity training to improve both core and balance. The second half of this class will focus on a deeper full body stretch that leaves you feeling energized and refreshed! This class is suitable for Healthy Living participants.
Total Body Strength	A free weight class featuring strength and resistance exercises that will get your muscles working and body sweating, without hard-to-follow choreography! Suitable for all levels. It's a strength class like no other.
Walk Fit	A walking-based cardio workout with low to medium intensity. Enjoy easy-to-follow moves, all set to the beat of the music. Perfect for all fitness levels!
Yoga	Flow through a series of postures that work to stretch, strengthen and tone your muscles while calming and connecting the mind, body and spirit. Engage in a Yoga practice that is right for you by modifying or intensifying postures to fit your comfort level. Easy to follow format, all levels welcome. Please bring your own mat.
Zumba	Combines Latin and International music with a fun and effective cardio workout.
