

Y Outdoor Centre – Outdoor Education Application for Funding

Funding is made available by generous donations to the YMCA-YWCA of Vancouver Island. Donations from staff, volunteers, Y members, individuals and local businesses help to support access to Y programs and services for anyone unable – not unwilling – to pay the full fee. Funding availability varies from year to year, we encourage all groups and individuals to contribute as much as possible toward their visit to the Y Outdoor Centre.

Clients in areas where fundraising is possible, are expected to fundraise to cover a portion of their camp fees. Everyone is expected to contribute towards their camp experience. **All those receiving funding will be asked to provide impact statements during or after their visit to camp. This helps our fundraising efforts greatly.**
